Re: Supplemental Request for Information, Pursuant to Section 104(e) of CERCLA and Section 3007 of RCRA, for the Albion-Sheridan Township Landfill Superfund Site, Albion, Michigan.

Dear Mr. Schmidt:

The United States Environmental Protection Agency (U.S. EPA) is currently investigating the source, extent and nature of the release or threatened release of hazardous substances, pollutants or contaminants at the Albion-Sheridan Township Landfill Superfund Site, Albion, Michigan, hereinafter referred to as "the Site". To that end, U.S. EPA sent you an Information Request on July 3, 1991, pursuant to the authority of Section 104(e) of the Comprehensive Environmental Response Compensation and Liability Act (CERCLA), 42 U.S.C. 9604(e), as amended by the Superfund Amendments and Reauthorization Act of 1986 (SARA), Pub. L. 99-499.

U.S. EPA has determined that further information is needed pursuant to the above-cited investigation. You are hereby requested to respond in full to the original Information Requests, a copy of which is enclosed, within fourteen (14) days of receipt of this letter. YOU MUST PROVIDE A COMPLETE RESPONSE TO EACH REQUEST.

As with the initial Information Requests, compliance with the enclosed Information Requests is mandatory. Failure to respond fully and truthfully to each and every Information Request within 14 days, or to justify adequately such failure to respond, can result in enforcement action by U.S. EPA pursuant to Section 3008 of RCRA under which the U.S. EPA may seek the imposition of penalties of up to twenty-five thousand dollars (\$25,000) for each day of continued noncompliance, and/or pursuant to Section 104(e) (5) of CERCLA which, as amended, authorizes the United States to

seek penalties from a Federal Court of up to twenty-five thousand (\$25,000) for each day of continued noncompliance. "Noncompliance" is considered by U.S. EPA to be not only failure to respond to the Requests, but also failure to respond completely and truthfully to each Request. Please be further advised that provision of false, fictitious, or fraudulent statements or representations may subject you to criminal penalties of up to ten thousand dollars (\$10,000) or up to five (5) years of imprisonment or both under 18 U.S.C. 1001. U.S. EPA has the authority to use the information requested herein in an administrative, civil or criminal action.

This Information Request is directed to your company, its officers, directors and employees and its subsidiaries, divisions, facilities and their officers, directors and employees. The relevant period for this Request is 1966 TO 1981. The definitions and instructions set forth in the initial Information Request apply to this Supplemental Information Request.

This Information Request is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. Section 3501, et seq.

Your response to this Information Request should be mailed to:

Paul J. Rogers
Superfund Program Management Branch
U. S. Environmental Protection Agency, 5HSM TUB-7
230 South Dearborn Street
Chicago, Illinois 60604

Please direct any questions to Paul J. Rogers at (312) 353-8069.

Due to the seriousness of the problem at the Site, and the legal ramifications of your failure to respond promptly and properly, U.S. EPA strongly encourages you to give this matter your immediate attention and to respond to these Information Requests within the time specified above.

Thank you for your cooperation in this matter.

Sincerely,

Thomas F. Geishecker, Chief
Technical Support Section
